# Summer Is Coming!

## A Word from Pastor Matt

May is finally here which means summer is around the corner! Summer in LA means time at the beach, time at home with family, summer camps, VBS, swimming, and so much more! Summer at FMCE will be something special this year in many ways!

On Wednesday nights in June, we will have Family Dinner in the Fellowship Hall with some classic American food, all gathered around a shared table with a devotion to follow. There will be no Wednesday evening activities in July, but we will have the Disciple Institute on Sundays at 5:00pm. The Disciple Institute will be a time where we seek to grow in understanding how to evangelize, make disciples, and actively seek out people to win souls. I pray that this Disciple Institute will be more than informative and transformative for you and our church.

We will have many other events through the summer as well, including a day of worship at Johnny Henderson Park with lunch to follow. To be the church, we leave the walls and be a light in the darkness for our community. I hope and pray you'll consider how this summer can be more than fun, but also transformative in this unique season for all of us. May God be with us this summer!

In Christ,  
**Pastor Matt**

# Pastor Billy's Notes

## A Choir Member's Prayer

*Heavenly Father, how fortunate we are to have choir practice. The congregation may or may not appreciate what we sing on Sunday, but oh, how we do rejoice in the preparation. This is our opportunity to forget ourselves and really work together. In no other role must we so completely blend, balance, and strive for harmony. Each of us is vital and important to the whole, but none of us alone can make it happen.*

*Every week we have the chance to use whatever skill we have, whatever training, to prepare for our unique contribution. Music is at once an offering to God, to the congregation, and to us. What a perfect experience, even when the particular event may be less than perfection.*

*It is the joy of rehearsal, of getting ready, that is the singer's special bonus. We thank you for the challenge, the opportunity, and the blessing. Amen*

It really is the joy of rehearsal that is the special bonus for every choir member. Every performance is a challenge and a blessing. Won't you come and join us? This would be a great time to join the choir family. We have great rehearsals, and we have a place for you!!!

*"Sing"cerely,*

# FMCE Kid's News

Summer is fast approaching and this means a busy time for most of us. We have a lot of exciting activities and events planned this summer, so mark your calendars and join us. Right before school is out we will have a Pizza with Pastor Matt lunch on Sunday, May 19th at 12:15 in the YBMH. This is going to be a great opportunity for our kids to spend time getting to know Pastor Matt, eating pizza, asking any questions they may have about church, faith, prayer, or anything else, and getting a tour of the church to learn about worship. The next week we are transforming the church into Camp Firelight. Anyone willing to help decorate or have camping items or old Christmas trees you would let us use please contact me. Camp Firelight VBS is the kickoff to summer activities. During the summer we will have service projects on Wednesdays, family events such as Movie in the Yard and Family Putt-Putt.

We have an amazing opportunity in Enterprise for our kids. We have a wonderful summer day camp at Hillcrest church July22-July26 called Connect. The cost is \$142 for the week and scholarships are available. Amy and I will be volunteering during camp and would love to be able to take a busload of FMCE kids with us.

Full calendar of all events and dates will be published soon.

When we think of May, what comes to mind for many of us is Spring and the phrase “April showers bring May flowers.” The Spring season is one of new beginnings as hibernating animals are fully awake, flowers are in bloom, and the earth is warming up. But for students, May marks the end of a school year and the anticipation of summer time. For some, it means closing the chapter on Middle School and preparing for High School. For graduating seniors, it means transitioning into adulthood as they enter college and/or the workforce. All these things make me think of Ecclesiastes 3, “There is an occasion for everything and a time for every activity under heaven.” Each human life is unique, but there are common things we all experience. It is God who controls these experiences, and we can enjoy and gain meaning from the seasons of our lives by trusting God with our time, letting Him control how we spend our time and how we react to the various circumstances we encounter. Nothing takes Him by surprise.

### Honoring our 2024 High School Graduates

It is an honor to celebrate as a church family a significant milestone in the lives of our graduating seniors. We will recognize each of them during both worship services on Sunday, May 19<sup>th</sup>.

Bentley Ann Beckham	Diego Sammur
Edward Pittman Hall	Braxton Sherling

### Student Ministry

We have a lot of plans this month and during the summer. Check-out what we have going on and pray about how you may join us by attending, giving monetarily, or providing food or materials. We believe in intergenerational worship, Bible study, and community.

May 5 <sup>th</sup> :	Party on the Mount as we finish our Sermon on the Mount series.
May 22 <sup>nd</sup> :	Last Regular Wed Night Bible Study of the semester.
June 2 <sup>nd</sup> -6 <sup>th</sup> :	VBS
June 9 <sup>th</sup> :	Sunday Night Swim
June 17 <sup>th</sup> -21 <sup>st</sup> :	YMCA VBS Mission Project
June 23 <sup>rd</sup> :	Sunday Night Swim
June 30 <sup>th</sup> :	Color War

During June and July, we'll have Others First Wednesdays when we'll do various service projects on our campus, in our community, and in the surrounding area.

### Young Adults

The YA Sunday Morning Small Group is meeting in the Library on Sundays at 10am. There's a new coffee and refreshments area, and we are in the process of purchasing new furniture to create a welcoming space ideal for discussing God's Word. If you're a young adult (19-29ish), come join Dr. Jean Johnson and/or me as we discuss the Book of Luke.

## May 2024

We are quickly moving toward the end of the school year and our classrooms are filled with many fun and exciting activities! Our 3-yr-olds and Pre-K 4s have been learning about metamorphosis as they watch caterpillars grow and change in our butterfly gardens. They have seen each caterpillar's transition as it matured, changed into a chrysalis, and finally emerged as a butterfly to be released into the environment.

On Thursday May 9th we will celebrate Mother's Day with our **Muffins for Moms** at 8:30 AM. Our May **Family Fun Day** event will take place on **Tuesday, May 16th at 9:30 AM** as we celebrate the end of a wonderful school year for all of our students, their families and friends. The Stepping Stones Pre-K 4 classes will graduate from preschool and there will be a musical presentation by the 2, 3, and 4 year old classes. This will be a regular school day for children who normally attend on Tuesdays. All children participating in the program should be in their classrooms no later than 8:30. .

**Regular school days will continue through Wednesday, May 22nd. Thursday, May 23rd will be a half day ending at 12:00.**

Have a safe and enjoyable summer!!

# Habits of Healthy People (A Series)

*And He said to them, "Come away by yourselves to a desolate place and rest a while." For many were coming and going and they had no leisure even to eat. -Mark 6:31*

*Be still and know that I am God. I will be exalted among the nations, I will be exalted in the earth! -Psalm 46:10*

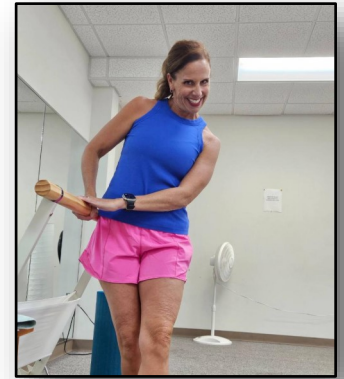

Continuing the theme of healthy habits, next up on the agenda is rest day! I often see clients who are undernourished, overfed, over tired and anxious. Our bodies need physical and mental rest. Taking a day off from exercise gives our bones, tendons and joints a chance to rebuild, just like coming to church recharges us. We need a day at least per week to spend time alone to recharge our bodies, minds and souls. A rest day can look different for everyone. What is it that recharges you? What do you enjoy? Rest can be a slow walk with a podcast that's uplifting or a day relaxing outdoors. If it energizes your soul, spirit and body then it is a rest day!

# ENTERPRISE CELEBRATE RECOVERY

## Carry the Message to the World!

Last month's FMCE CR newsletter article described the P8 Rally we were planning for April 6, 2024. This month I am happy to report that the event went very well. P8 stands for Principle 8, which in Celebrate Recovery means carrying the message to the world. What message? The message that Jesus Christ died for us and through his death and resurrection our sins are taken away. We are given new life. We are a new creation.

A P8 rally means that Celebrate Recovery groups from the area gather to worship with one another, connect with one another, share tips and ideas about this recovery program, and encourage one another in this amazing ministry. We had folks from everywhere, Dothan to Abbeville, western Georgia, Samson, northern Florida, Andalusia, Prattville, and Clanton.

Our speaker, John Pearse, was from Prattville, AL. He operates a ministry like our Christian Mission, where they distribute food and clothing to the needy and offer hope for the hopeless. He gave us a wealth of resources and encouragement. We all learned from each other through the nine breakout sessions that were going on that day. The worship was amazing, and the enthusiasm for Celebrate Recovery was contagious.

To God alone be the glory for the successful operation of our Celebrate Recovery. We are blessed with devoted leaders who give their all. When one steps away momentarily, someone always steps in to fill the gap. God is good.

Blessings from Enterprise Celebrate Recovery,  
Jean Johnson  
Ambassador for Enterprise Celebrate Recovery

## FMCE FINANCE MOMENT

Our church continues to grow every day! I am so proud of the work being accomplished at First Methodist Church of Enterprise as we continue to provide new ministries, outreach, and opportunities to know Christ and to make Him known. Many of our members are the hands and feet of Christ in our community; however, to persevere we must be able to support these ministries financially, too. When you consider supporting the church and God's kingdom, I pray you see the value of financially supporting each ministry and the passion that goes into each one. We are so blessed to have people passionate about projects and ideas and we can help them continue to light that flame by eliminating expenses from the list of roadblocks they may encounter. To keep our church at the top of its potential, we must continue to update and renovate areas of concern so that our families can continue to worship and serve as part of our FMCE church family. It's in this way that we all grow spiritually. I ask you to consider what could be a better investment than the First Methodist Church of Enterprise.
