

STUDENTS AND YOUNG ADULTS

MARCH-NOVEMBER

Softball Team - Last season was fun, but we want to win more games. So we're going to start practicing soon.

MFuge Mission Camp - Sign-up for camp is happening now! We're headed to Mobile in June to do mission projects and worship the Lord with hundreds of students from all over the south. T-shirt sell went well. If all are paid for, we'll make about \$900.

Laguna Beach Behold Conference
Last Aug/Sept we took a group to Behold where we were challenged to pray for the lost, invite them to church, and to hold each other accountable as we follow Jesus. Also, our guys won the basketball tournament!

New Curriculum - The Gospel Project
We've had a lot of positive feedback from using TGP curriculum. It's going well across all age-groups.

Confirmation - I plan to meet with the 6th graders beginning in January

Sunday Nights - We are on Chapter 6 of our in-depth study of Exodus. We've seen that how God does things is extremely different from how humans do things. He chooses the most unlikely people to do His will and bring Him glory.

Fall Factions: Red vs Blue is going well. Blue is currently in the lead.

Wednesday Nights - We are going through *How to Read the Bible for All Its Worth* by Fee and Stuart. The students are currently in the process of developing their own expository Bible study on Acts 8.

We will have our first Friendsgiving this Wed night (Nov 20th) where we'll enjoy a Thanksgiving meal and have Bible study.

Thursday Morning AWAKEN - We meet at The Daily Bread for breakfast and Bible study at 6:30 AM.

We had a great time at the Haunted Trail and hope to do similar trips in the future to continue to grow in community.

YA - COLLEGE/CAREER

We surveyed our YAs and are in the process of developing a hybrid (in person/online) Bible study.

The Library is being reorganized to fit the needs of this group.
